OUR BRAND

In a world that's constantly speeding up, Bredemeijer® brings people back together at the table. A moment to pause. To be present. With each other. And with a cup of tea. Tea is more than just a warm drink. It's a moment of calm, mindfulness, and connection. With our carefully designed teapots, glasses, teacups, and accessories, we invite moments of reflection, conversation, and small rituals that give everyday life meaning.

Our collection is made for tea lovers who value quality over quantity. For those who choose with their heart.

Consciously, with attention to detail and a love for craftsmanship. For tea enthusiasts who know that true flavour unfolds only when you take your time.

Whether you're enjoying a quiet moment alone or sharing a cup with someone dear, Bredemeijer® helps make those moments special. Because true connection begins with attention.

I tea you, do you tea me? Discover how our products transform the ritual of tea into a small, daily moment of peace and togetherness.

INTRODUCING FACET: The new luxurious teapot collection

A refined blend of elegance and functionality, the Facet teapot stands out with its sophisticated design and timeless appeal. Crafted with meticulous attention to detail, it brings a touch of luxury to every tea moment. Turning everyday brewing into a beautiful ritual.

ZILVERSTAD

since 1875

OUR BRAND

Zilverstad is a brand that connects generations. Through gifts that mean more than just a beautiful moment. We believe true value lies in memories, in traditions passed down, and in objects that tell the story of life. Our products are designed to capture emotion and carry meaning, as lasting reminders of what truly matters.

Our collections are made for life's meaningful moments: a birth, a christening, a wedding, or an anniversary. For people who don't just give a gift, but seek something that endures. A tangible memory, full of symbolism and emotional value.

Zilverstad speaks to the hearts of young parents, grandparents, and families with a deep appreciation for tradition. Those who believe that beauty lies in craftsmanship, quality, and meaning. Those who would rather pass down a keepsake than follow a trend. Those who know that a silver-plated money box or an engraved photo frame can say more than a thousand words.

With a unique blend of nostalgia and modern design, we create luxurious gifts that touch the heart. Timelessly presented, with an eye for detail. Because the story doesn't begin at the unwrapping. It begins with remembering.

INTRODUCING ELANA:

A brand-new home décor collection

A refined series of table accessories featuring a contemporary linear design. The Elana collection brings modern elegance to every setting, combining simplicity with timeless style. Perfect for creating a beautifully balanced table at home.

Zilverstad. Connecting generations.

Time will tell.
